MEMORANDUM FOR THE EXECUTIVE SECRETARY, IG/CM

SUBJECT: IG/CM Review of Proposed NSDD for Safeguarding Cryptographic Information and Material

Reference: NSA letter, Serial: [] 26 April 1983, subject: Proposed New Agenda Item. (Enclosure)

STAT

1. The wording of the proposed NSDD is acceptable to DIA, with the exception of subparagraph b.(1). In order to avoid confusion with the more general definition of "CRYPTO" which existed in the past, b.(1) should be changed to read:

"Restricting access to classified cryptographic information, as defined in paragraph a. above, only to those persons who have been formally granted cryptographic access for the conduct of official business."

2. For any questions regarding this matter, please contact []
